Dear Parents/Guardians:

Wilson School will be offering a number of after school tutorial and enrichment programs beginning in September. The classes for the 1st Semester will run through December. (We anticipate that classes for the 2nd Semester will run from February through May) As in the past, enrollment in each class will be limited and determined by criteria established by the instructor. Parents and guardians interested in having their children participate should complete one cut-away form below for each child and return the form(s) to the School Office with today's THURSDAY ENVELOPE. Responses to this survey will not be considered after Tuesday, August 31st, 2010.

Please note that this is a survey to determine interest only and not a registration form. Actual registration on a first-come-first served basis for classes with adequate interest and qualified instructor will be through a form sent to survey respondents only at a later date. (This survey is to determine interest in 1st Semester enrichment classes at a cost ranging from \$25.00 to \$75.00, depending on the duration and frequency of sessions. (Fees for classes offered by private providers may be higher) Children who are recommended by their teachers for participation in tutorial classes in Reading/Writing, Math, and or Homework Help will be given priority consideration for enrollment.

Thank you.

Yes, I would like my child to participate in an after school enrichment program. I understand that a fee of \$25.00-\$75.00 the 1st semester will be assessed to help defray cost of the program. [Please rank no more than two choices in order of preference (1=FIRST; 2=SECOND) Write-in your suggestion for a class you would like to have offered but is not listed]

CHILD'S NAME		GRADE	ROOM	TEACHER

I understand that I would be responsible for the pick-up and care of my child after the program ends each day, and that my child may, at instructor's discretion, be excluded from the program for such reasons of poor attendance, inappropriate behavior, etc.
