# CARE Academy at Wilson Elementary

Connecting And Reinforcing Education (CARE) Academy 2012 offers students a diversity of academics, arts and enrichment activities. This is the third year of the program and it builds on the strong and successful program from the past two summers with enhanced and supplemental curriculum that provides a fun and stimulating summer experience. All students will participate in math and language arts enrichment. They will also be engaged with relevant learning, as they participate in the Keiki o ka 'Aina Sustainability Program. They will learn about being responsible global citizens as they participate in:

- ⇒ Turning green waste into compost
- ⇒ Recycling cardboard into compost
- ⇒ Using compost to supplement the soil
- ⇒ Planting various types of seeds
- ⇒ Caring for a garden
- ⇒ Various energy sources

Tuition includes up to four field trips and/or activities including: Madagascar 3, Bounce It Up!, Splash Friday and Chuck E Cheese. \*Subject to change

In addition to regular curriculum based activities in Mathematics and Language Arts, students will participate in at least five of the following enrichment activities:\*

- ◆ Art Adventures-Exploring various art mediums and art forms while creating with a variety of craft projects.
- ◆ Finger Power-Improving keyboarding skills with fun on-line keyboarding activities.
- ◆ Let's Cook!-Investigating nutrition and the science of cooking. Includes hands-on cooking instruction in the cafeteria.
- ◆ Music In My Life-Exploring songs and various forms of music.
- ◆ My Body and Me-Exercising while refining fine motor skills.
- ◆ Nihongo-Exploring the culture and language of Japan.
- ◆ Sustainability-Learning about the land, our food and the environment.
- ◆ Technology Adventure-Exploring various technologies with the Apple iPad.
- ◆ Technology Exploration-Exploring various technologies with the Nook or Android device.
- ◆ The Inner Core-Building character, self improvement and leadership skills.

\*Subject to change
