\*Vendors subject to change. Sorry, no substitutions.

### Dress Code/Conduct:

Wilson School features air-conditioned classrooms. Your child may bring a sweater or jacket .

We request that students dress appropriately and that any wording or design on the attire to be appropriate for children and not contain offensive material.

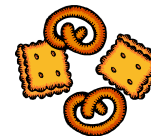

For safety concerns, we require covered shoes or sandals with a back strap. Please, no rubber slippers or crocs as our sidewalks feature a coating of safety paint that can be abrasive if a student trips or falls.

All students are required to behave in a responsible and respectful manner. Any student who either disrespects others, disrupts sessions, or endangers other students will be withdrawn from the program with no remuneration.

### Supplies:

All supplies are included. Your child does not need to bring any supplies to CARE Academy. We request that your child bring a bag daily. Note: Early registrations include a free nylon sportpack to use!

### Snacks:

Your child may bring a snack from home for recess. We will have a snack shop available as a convenience for students who may want to purchase a snack.

### Field Trips/Activities:

There will be up to four field trips or supplemental activities. If applicable, transportation and admission will be provided. Your child may bring money for extra items such as snacks. We will send out information prior to the field trips.
